DIRECTOR OF CENTRAL INTELLIGENCE
Security Committee

SECOM-D-216
19 January 1977

MEMORANDUM FOR: DCI Security Committee Members

FROM

:
Chairman

SUBJECT

: DCID No. 1/--, "Security Policy Concerning
Travel and Assignment of Personnel With
Access to Sensitive Compartmented
Information

1. As you will recall this proposed DCID was presented to the National Foreign Intelligence Board (NFIB) on 17 June 1976. At that time the DCI Security Committee (SECOM) was requested to better define that category of person who should be discouraged from engaging in unofficial travel to certain areas of high risk.

2. The Chairman, Compartmentation Subcommittee, was tasked with developing the necessary wording to satisfy the NFIB request. The proposed changes to the DCID were forwarded to the Security Committee by memorandum dated 10 September 1976 (Attachment A).

3. Attached is a revised proposed DCID reflecting the changes recommended by the Compartmentation Subcommittee (Attachment B). These changes consist of the addition of paragraph 3.f, and the words foreign intelligence in paragraph 4.2.

4. SECOM members from NSA, CIA and State non-concurred in various ways with these proposed changes. The comments of these agencies are attached for your information (Attachment C).

5. The Deputy to the DCI for the Intelligence Community (D/DCI/IC) is concerned over SECOM's delay in completing this DCID. The DCID will be an agenda item for our 9 February 1977 meeting. It is requested that all members come to the meeting prepared to concur in the attached draft or prepared to offer concrete language for consideration. SECOM must complete action on this matter on 9 February 1977. If agreement cannot be reached, dissenting statements will be sent forward with a new draft.
